## Keynote Speaker

Barb Detlefsen

Barb's desire is to know Jesus more and more and to fulfil His purpose in her life. She is passionate about teaching God's Word and longs to see women find and live in the freedom Christ died to give.

Barb is a wife, mum and grandma and treasures time spent with her family. She cares for her husband Bill who, as the result of an accident in 1996, is a quadriplegic. She continues to embrace life in God's strength, and testifies to the power of Christ in her daily life. In her local church Barb is involved in pastoral care, counselling, women's ministry and playgroup.

Her interests include reading, cooking, bike riding and swimming. She has a love of nature, but most of all a love for God - and people.

## Electives

### 1. "From Addiction to Freedom" - Jenny Nicholson

Through interview, Jenny will share some of her journey towards freedom from addiction through her experience with alcoholism. Come and be encouraged by God's work in Jenny's life, and gain some insights as to how one also may find freedom in Christ through one's own personal struggle with an addiction.

### 2. "From Depression to Freedom" - Merryn Thorp

Merryn believes "[Jesus] came that we might have life and have it to the full". As she tells her story Merryn will speak of what she's learned along the way, and share the things that helped her overcome feelings of depression.

### 3. "From Guilt to Freedom" - Mary Miles

God wants us to experience freedom from the guilt which can weigh us down. Mary will look at the different types of guilt: guilt from a known wrong (past or present), unnecessary guilt, guilt associated with expectations (of others or our own) and of trying to be everything to everyone. Come and hear what God has to say about guilt and learn how to let go of it once and for all!

### 4. "From Fear to Freedom" - Fiona Leeworthy

Fiona speaks openly about her personal testimony and journey from fear & insecurity to faith & freedom. She will inspire you to exchange fear for faith and live the empowered life you were born to live.
