At Mustard Seed Counselling and Care we believe that within every living person is the potential to grow and to be all you were meant to be with support and guidance.

Mustard Seed Counselling is founded on the belief that every human being is made in the image of God and is unique and precious, with spiritual, physical, emotional and social aspects of their being that require a holistic response in counselling.

Mustard Seed is committed to promoting healing and reconciliation through counselling, spiritual nurture, life skills, education and support to clients regardless of race, colour, gender, religion or social status.
