The Committee would like to give the opportunity to the people of our Church to bring forward any names that they prayerfully believe could be considered for this role. Keeping in mind the need for confidentiality, could those wishing to do so please personally advise any member of the Search Committee, the details of any person they would recommend for consideration.

CONGO REFUGEES

Thank you Church for your generosity towards the appeal to assist in the immigration of the family members of Patrick & Rafael Bashengezi, members of our Church. They have spent several years in a Ugandan Refugee camp. Praise God, they are expected to arrive in Australia next week. Over the last month, you have given \$3,732 to this appeal. This is a very significant contribution to this very important project.

WALK TO WATER

In the next few weeks, you may be approached by a Youth United young person for sponsorship to walk to Sumsion Gardens on Sunday 18th of October. The purpose of this walk is to raise funds for building wells and water storages for under privileged people in Nigeria. Christian Nigerians have to walk to hostile Muslim villages to find water; they can be harassed & poorly treated every day. This will help build bore holes in the Christian villages & provide clean water to wash, drink & cook with.
