WE NEED YOUNG ADULTS SMALL GROUP LEADERS!

And you don't need to be a young adult yourself!! All you need is love!

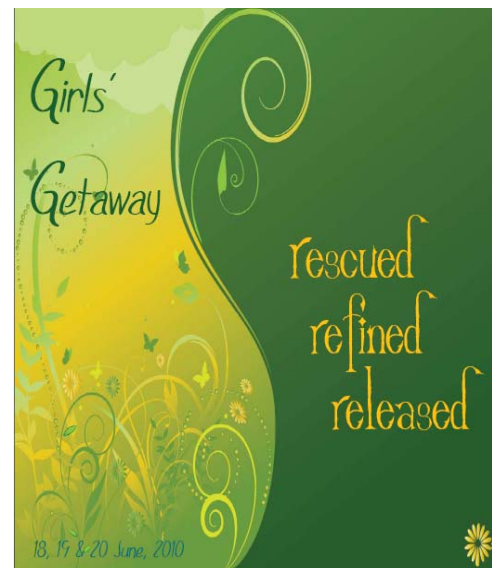

A growing love for **God**, love for **people** and love for **God's Word!**

Due to a current lack of leaders for young adult small groups, we are in the unfortunate position of not having enough small groups in which to place our young adults who are wanting to join a group.

If you are of any age, love young adults, and are and interested in putting your love into action by serving our young adult community in this way, then Mandy would love to hear from you!

There will be a half day training session provided for those who may never have been involved in leading a small group before, so you'll get the skills and tools required to get you up and running.

Please contact Mandy ASAP on

OUTDOOR ADVERTISING

SHOULD BE

G-RATED PETITION

A petition calling for all outdoor advertising to be "G" rated has been launched by Family First Senate candidate Wendy Francis. She said "I do not believe the Advertising Standards Board is exercising care to protect our children, and their innocence is being denied. Experts agree that inappropriate sexualisation of children in Australia is of increasing concern. Therefore outdoor advertising should be suitable for a general audience.

Every adult is invited to sign the petition available at the rear of the church today.
