1. Consider how diverse a community WDBC is. What diversity do you see? Is diversity relevant for WDBC? Why?
2. How is WDBC's approach to diversity counter cultural? Discuss in what ways WDBC encourages diversity and areas where we can improve.
3. Is "unity in diversity" as important as Christians make out it to be? Why? What can you learn from the nature of God (Trinity)?
4. What are some of the potential out workings of a united ("one minded") church? How connected is it to prayer and spreading of the gospel?
5. What practical steps you could take to make one-mindedness a reality in:
 - Your marriage/family life?
 - Your small group?
 - WDBC?
